

Natural Based Ingredients complying with Ecocert Standard

In recent years, terms such as “natural”, “plant-based”, “organic” and “vegetable” have become an important part of Personal Care market. To meet this market trend, SABO S.p.A, applied for Ecocert certification for the emulsifiers and emollients which are made from plant-sourced and natural ingredients.

Emollients:

SABODERM CV
SABODERM DOE
SABODERM MLC
SABODERM TCC

Emulsifiers:

SABOSORB MS
